Books can be ordered for borrowing online via the catalog after logging into your account.

* * *

Collection of ordered items – in person, no later than 5 days after placing the order, at the Circulation Desk or Bookmate (depending on the pickup location selected during the ordering process).

Online renewal of return dates – no earlier than 5 days before the due date; applies only to items that have not been reserved by other users.

Overdue returns will result in an automatic account block and the system will begin charging fees according to the price list.

Interlibrary Loans enables bringing from other libraries and scientific institutions the documents that are **not available within the Library collection as well as collections of the other Tricity libraries:**

- journal articles or excerpts from the books as photocopies or digital files (paid service),
- books, PhD thesis; to use on-site only in the Reading Rooms.

Any costs related to obtaining the materials are covered by the requester. The return deadline for these items is determined by the lending library.
